2024 Summer Schedule

## **Our Philosophy**

Through a dynamic program of Christian Recreation, we seek to provide a variety of situations in which people may encounter God and experience growth in human relationships.

## **Camp Horseshoe**

Welcome to Camp Horseshoe. Our 27th season—like many others— is dedicated to the enjoyment of the great outdoors.

My life began on this farm in 1940. My mother and father lived here to help support my grandparents in their later years. Clarice, my mother, passed away during childbirth when I was six years old, and I was then moved to Epworth Children's Home in Columbia, SC. The Lord came into my life and gave me the direction that I needed.

I graduated from Dreher High School in 1961; Spartanburg Methodist in 1962, and the University of Georgia in 1964. For 34 years thereafter, I worked at Peachtree Road United Methodist Church in Atlanta as Christian Recreation Director.

I have always been blessed by my Savior, and feel fulfilled by a life working closely with so many kind people.

## **Facilities**

Activities are centered at our clubhouse, the Old Dawkins' Home Place that was built in 1850. The farmhouse is used for restrooms, a changing area, and crafts. Its rustic charm and beauty are enhanced by the garden and pond. Campers care for and groom our horses to ride them in our professional show ring, play on our water slide, play games and sports, do crafts, play archery, and hike our 105 acres plus more. We also have a 36' X 48' barn. We LOVE it!
